derie 1984

Suzie,
Hi bud! Hope you had a great year. I know some of the times were really terrible for us, but just having Robbin and Justin around makes it great. You are a really great friend and I hope we stay the way we are forever. You know that I am always here if you ever need to talk. I love you, ↗

Suzie, Hey, honey, how's it going? Well I would tell you have a great summer and stay outta trouble, but since you gonna be with me I know you'll have a great summer and will constantly be in trouble. I have to go now, but don't fear my little one, I will return at break. Well you'll guess who's back. I got back a little late, cuz now it's 5th period. Well guess who got stoned? Me!

Suzie,

Well again, I am glad we became such good friends during P.E. I never thought I could tell someone who I do it with or how many times. I can't believe some of the things we have talked about and made bets about. We have been through a hell of alot together and I know that it won't end here. I will get in touch with you during the summer but you have to keep in touch with me too, okay? As soon as I get my license, we are gonna have to go out scammin' without Robbie and Jud.

Anyway I hope you achieve all the goals you want to. I love you and Justin.

Love your very good friend (always) Kelli

A journey through four years at AGHS involves more than going to classes from 8-2, passing competency tests, and meeting graduation requirements. The journey takes us all down the road to laughter, friendship, memories, and fun! Oh sure, there are those who find every aspect of school a drag, but they are the minority. It is the enthusiasm that the majority of us generate that makes the trek through AGHS a once-in-a-lifetime experience. We all have trying moments in our four years at AGHS, but when the dust settles we look back and spot the one common denominator through it all—FUN! Lunchtime gatherings in the quad, after-game dances, pep assemblies in the gym, grueling football practices, exhausting cheerleading workouts, staying up late for tomorrow's history test, or an after school visit with a teacher; no matter what the experience, AGHS' finest look for the fun wherever they can find it! The fun is everywhere and to prove it we challenge you to explore the next 200 pages and see for yourself that fun is foremost at AGHS. Sit back, relax and let the smiles and laughter guide you down the ROAD TO HAVING FUN- AGHS style!

seniors

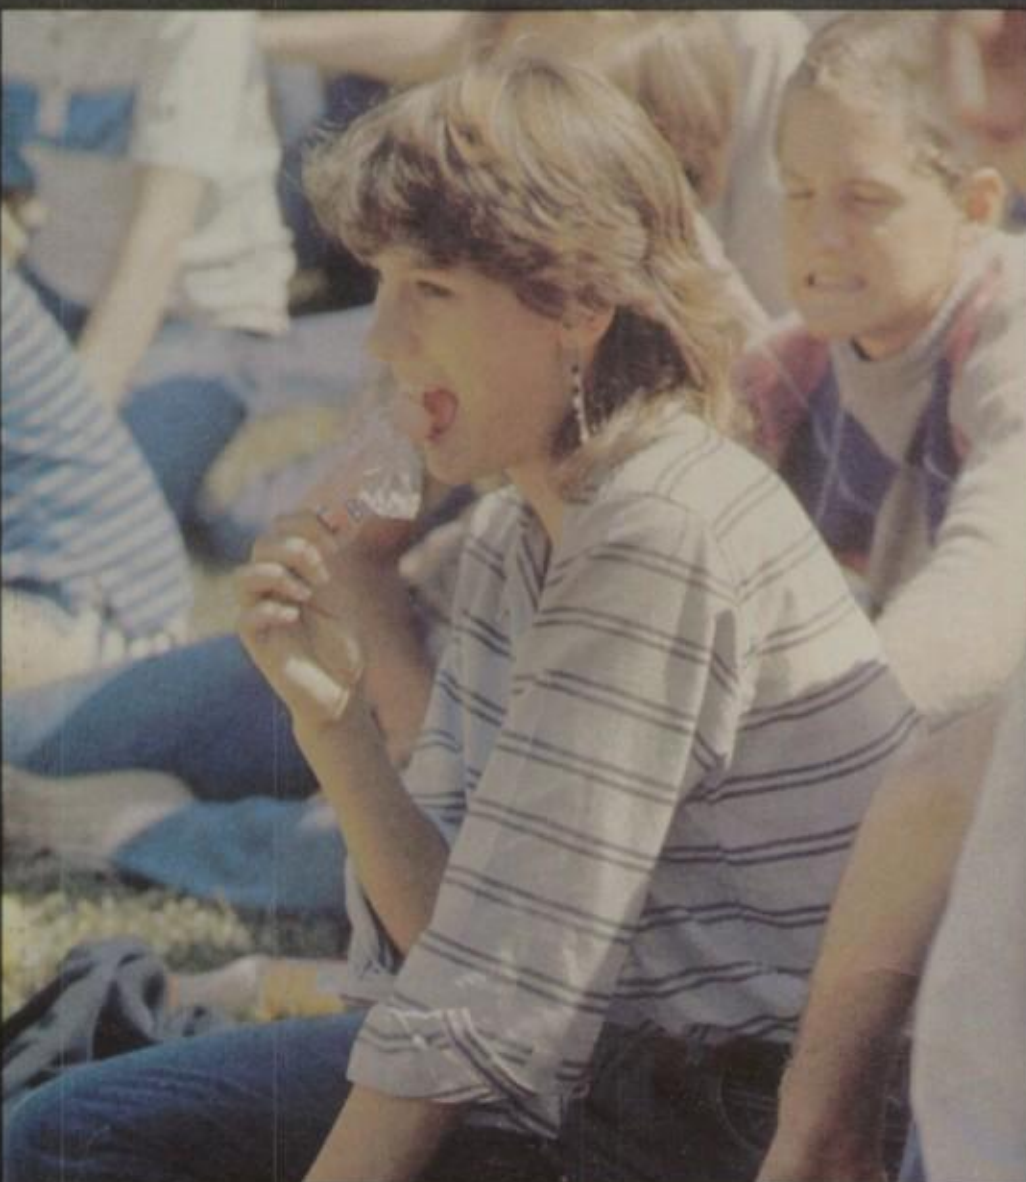

When we were Freshman, it was like being on a family trip: "when will we be there?" As Seniors, we are there; the journey was quicker than we expected.

Our four years at Arroyo Grande High School have been a general direction of travel preparing us to choose a specific route after graduation. Each senior has to determine which road to take for fun, adventure, vocation and a meaningful lifestyle. Our principal, teachers, advisors, coaches, parents and fellow students have all helped us to draw our map for the future.

After graduation it will be like traveling on a freeway where we are to make our own decisions of which off-ramp to take. Our high school classes and experiences have given us insight to our interests, talents, abilities and desires and have made us aware of our potential for a successful destination.

Thank you Arroyo Grande High School for being our starting point on the **Road To Fun!**

1984 was the year of fun! If students had a hard time finding fun, they made their own! It didn't matter what activity at school they were involved in. AGHS' finest made the most of it. From Homecoming '83 to Senior Night at Disneyland, Eagles everywhere joined in to make Student Life of 1983-84 one of the most memorable ever. Students "Mock-Rocked" their way to fun in the fall, danced their way through a Kaleidoscope of fun in the winter, and promised their way to fun in the spring with the ASB convention! What a year! What fun! What memories!

fun!

Just what is the purpose of the ASB officers? Obviously, there is a good deal more to it than just the title. Their goals include more excitement, entertainment and most importantly more **FUN!** Involvement is the key to ASB success. Participation was high for the 1984 school year due to the variety and quality of the activities that ASB sponsored and orchestrated.

Students imitated teachers and teachers mocked students in a variety of skits (remember Brown R. Nose?). Teachers versus students provided excitement for the "Great Pancake Race" and everyone showed their true colors on Tacky Day; even Mr. Millis rose to the occasion. Winter Sports Week was, once again, a big success thanks to ASB efforts.

1984 was a tremendous year that everyone should be able to look back on with pride. For although it is the officers who organize an event, it is the entire ASB that determines its success or failure. Congratulations AGHS, you were great!!

Moments to Remember provided the backdrop for the annual Harvest Festival for 1983! Many of the clubs from AGHS took part in a variety of exciting events going on during the three day event. The AGHS FFA chapter sponsored the information booth, the Beef-Ka-Bob booth, and a very successful vegetable auction. AFS also played an important part in **Moments to Remember** for 1983. They raised funds by putting on a balloon sale and having a balloon race.

Once again, the AGHS Marching Band took first place awards in the annual parade. As the record-breaking crowd watch with excitement, the band performed without error! Following the days events was the popular street dance held in old downtown. This fun-filled happening always draws a big crowd, many of which are AGHS students looking for fun!

Byron Batista is another one of those multi-talented people.

In addition to making sets and being light technician for the A.G.H.S. drama club, he is a make-up artist and sculptor.

Always being fascinated in how horror movies were made, he decided to take up his interest and buy his first basic make-up kit. For three years he read and experimented becoming more and more advanced in his hobby.

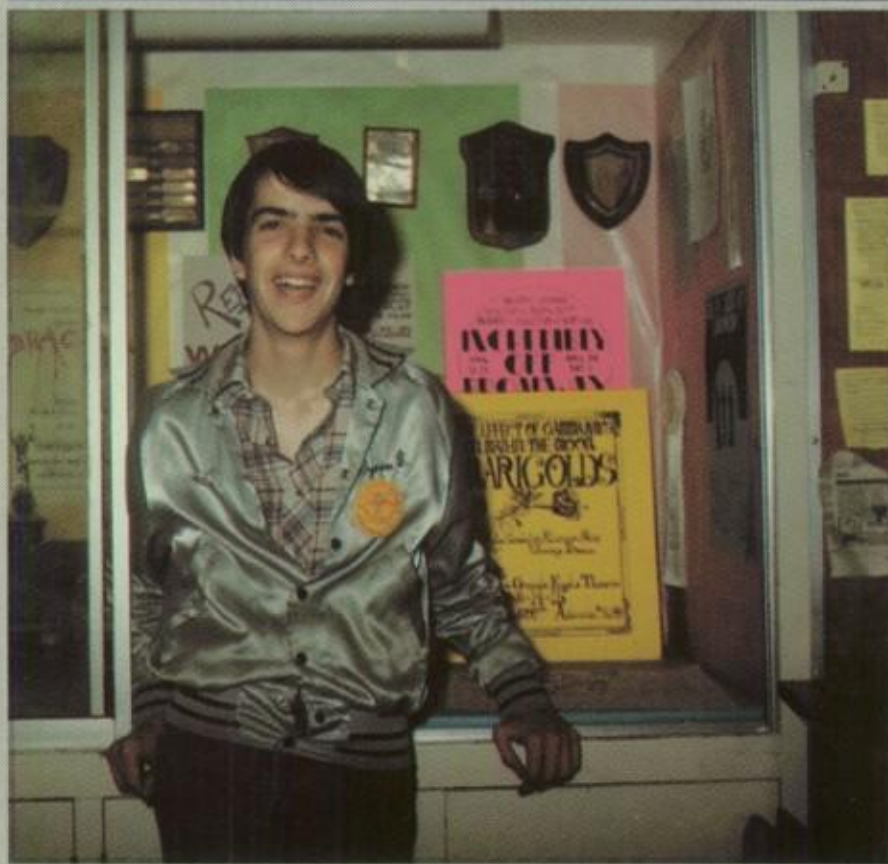

When entering the world sculptor, he didn't do the norm of clay sculptor, but used latex to make face masks. In the play *The Effect Of Gamma Rays On Man In The Moon* Marigolds, Gramps was his very own work of art.

Byron has also worked with several local theatres including, The Pismo Light Opera, The South Pacific and The Central Coast Children's Theatres.

Byron's future ambitions are to go to college and get a degree in Theatre Arts, using his talent in make-up and sculpting on the side.

Mike Pryor has mastered the Art of Motorcross Racing. He rode for fun in his first four years in the sport and for the past three years he's been racing.

Motorcross racing takes much more than most people think. It takes a lot of strength to control a motorbike through the rough terrain and dangerous ramps of the race course. Mike works out three to four days a week and eats nutritionally balanced foods to keep his body healthy and strong.

He first became interested in riding at age eleven when his father bought his first motorbike. Since then he has excelled greatly.

Mike is in the AME (American Motorcross Club), CRC (California Race Club) and the CMC (Continental Motorsports Club). Through his racing he's been all over California and even to Oklahoma. He rides for Field's racing team and sometimes Cagiva.

When he graduates from A.G.H.S. he wishes to race full time and go to either The Suzuki School of Motorcross or The Russ Darnell Motorcross School. Then after turning pro and racing for six months, he plans to race in the Nationals. "It's hard to be the best, there's a lot of competition," says Mike.

Skateboarding is one of America's oldest and fastest growing sports.

Mackie Langebeck has been skateboarding for the past three years.

In that time Mackie has gone through five skateboards. He is currently on a Sims board, a board which he rates as one of the top boards.

He has skateboarded on friend's ramps until the past year when he built himself a ramp costing over \$200. It took a week to build.

Mackie rides his ramp at least an hour every day.

Although skateboarding seems easy, it is not. It's very tiring and requires a lot of timing and balance.

Skateboarding can be dangerous without the proper protection. It is wise to use a helmet, and knee and elbow pads. Otherwise your hobby can result in a disaster.

Who says men don't dance anymore? Many at A.G.H.S. have mastered the art of dancing, but not many have learned to pop.

Popping is a type of mime mixed with a little rhythm and turned into a dance. It involves much patience and a lot of muscle control.

Donnie Ellison, Mark Elisan, George Lemon and Frankie Castillo are four of A.G.H.S. great poppers.

Donnie has been popping for five years, and plans to form a popping team called Midnight Star.

Mark has been popping for two years now and has mastered the technique of this style of dancing. When asked why he liked to pop he said, "I like it because it's the baddest dance I've ever seen, and I like to learn it."

George Lemon and Frankie Castillo, freshman, haven't been popping as long as Mark and Donnie, but they are just as good.

Homecoming Week is one week AG students will always remember. The theme "Back to the Nest" is exactly the proper phrase. The fun activities included: Monday, a Slave Day; Tuesday, The Great Pancake Race; Wednesday, a "Rat Pack Funeral"; Thursday, Tug-o-War and Powder Puff Football (both events won by the class of '84); and Friday, an entertaining assembly. That night the Eagles watched an exciting, yet disappointing football game when AG suffered a loss in overtime. The week was action-packed and full of fun with the highlight being the halftime ceremonies when Brian Talley and La Nette Teaby were crowned Homecoming King and Queen.

Erik Legreid became involved in board sailing two and a half years ago. Racing catamarans occasionally with friends, he became interested in sailing, and enjoys being out on the water. Realizing he had a special knack for sailing, Erik entered competitions of increasing difficulty and was classified 7th at the Selections Races for the World Competition of 1983. Due to this honor, he entered the World Competition placing 50th in his class. He says "I like to challenge my abilities." Happy to have earned the chance to compete in this race, Erik, proud of his efforts, has a goal to do even better.

Combining his leisure time pleasure in his work day world, he is employed by Pacific Sports which makes booms for sailboards. So, Erik is as enthusiastic about his work as he is about his sport.

taking a closer look "up close at a.g.h.s."

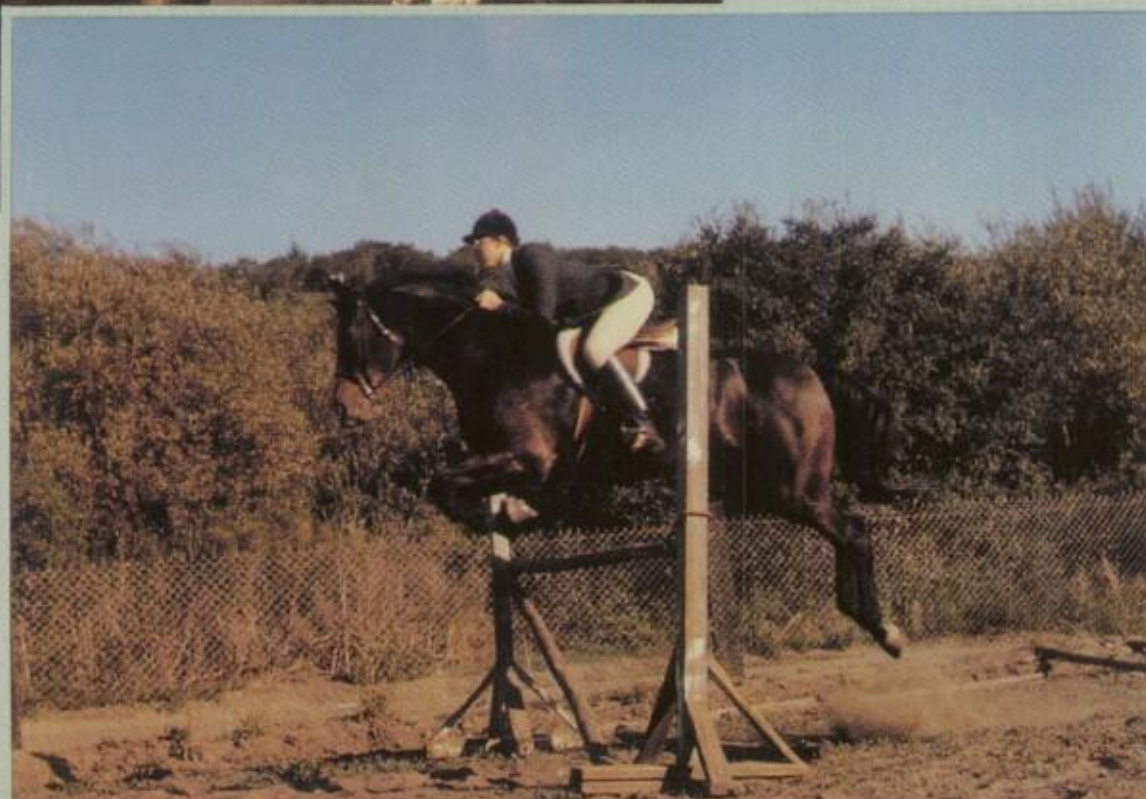

Rebecca Pence has been living here since she was born. She is now a senior who is very talented in riding horses. Rebecca began riding at the age of three, when she and her family received a Welsh pony named Billy. As her interest in horses grew, she got another horse, an unregistered thoroughbred called Mariah-K. She has competed riding Night Moves, a registered thoroughbred. She feels both these horses are good for pleasure riding and are equally well qualified for competition.

To prepare for competition takes countless days of training and patient practice. Competitions are exciting but difficult, according to Rebecca. The horses, while adjusting to the new environment of the arena, must maintain a constant speed, jump fences and walls, make sharp turns, and complete routines in precise form with the rider.

The showtime season for horseriding competition is eight months, from March to October. Rebecca enters approximately thirty competitions each year, locally, from San Luis Obispo to Santa Barbara and has been awarded countless ribbons and prizes for her tireless effort and endless enthusiasm.

Joining her hobby with her work, Rebecca is employed by a horse ranch. She is considering a career which would include her interest and skill in horsemanship.

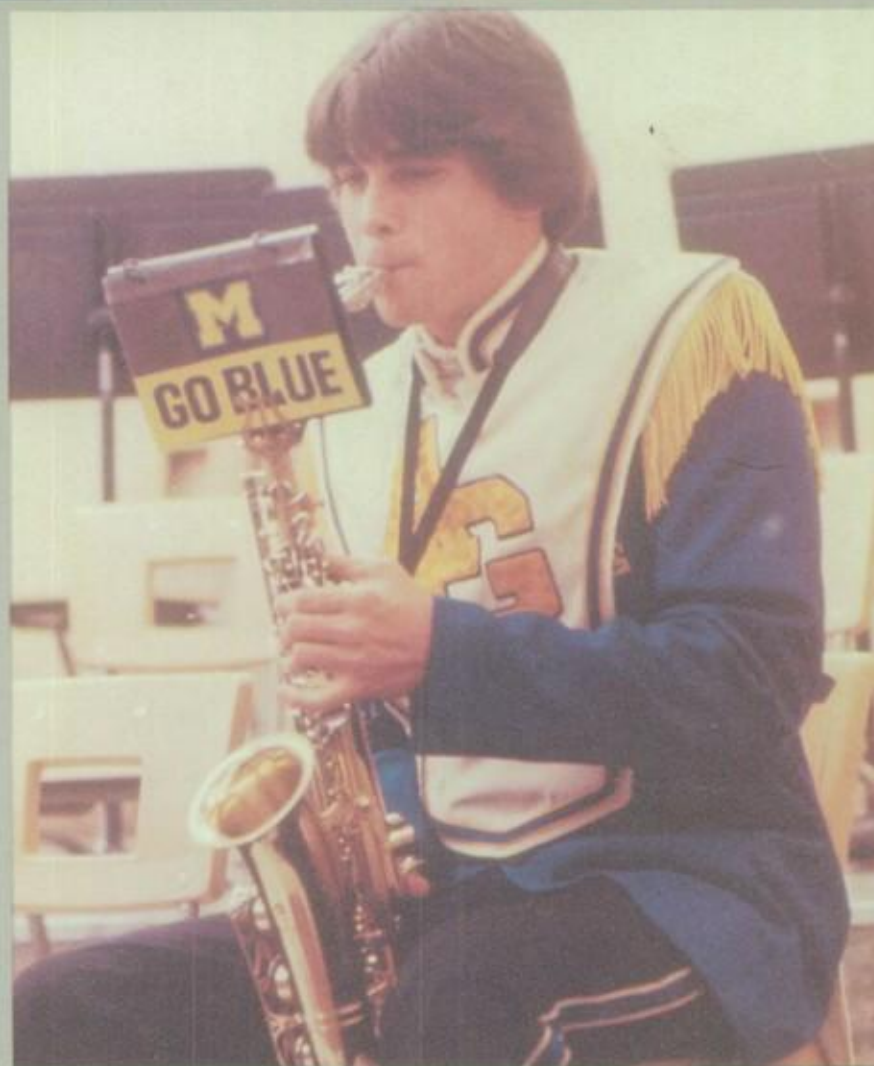

Rick Calder, the Vice President of AGHS band, has been involved in music for six years. He eventually hopes to make music his career, either teaching or composing.

Rick plays an alto saxophone in concert and in marching band, but enjoys playing a tenor saxophone in the jazz band. Being able to play more than one instrument adds variety to his musical life, so he enjoys playing the baritone from time to time for a change of pace.

Practicing for two hours after school every day has already brought Rick rewards. He has been awarded the Improvisation Award in band, and much to his pleasant surprise, he has been nominated for the McDonald's All American Band.

Rick's present educational goal is to attend the University of Michigan to major in music.

Jeannette Reichel, an artist, has become very talented in the short five years she has been drawing. Mr. Fischer, her art teacher, recognized beginning talent when she was in the eighth grade and has been helpful in guiding her interest in this field. She has entered the CitiCorp Savings Calendar Art Contest, and her work has been honored by earning the Grand Prize in 1982 and a finalist rating in 1983.

Jeannette uses her spare time to draw and is preparing a portfolio. Using her portfolio, she hopes to gain entrance into Cal Poly as a graphic arts major. Jeannette has temporarily set aside invitations from L.A. Art Center and other universities which admire her talent.

Jeannette, having many interests other than art, has been on the track team for four years. Adding to the excitement of her senior year is her being chosen for senior princess, and her hope of touring Europe after graduation.

Jeannette's smile will brighten any day and will certainly be seen by many when she reaches her goal of being a commercial graphic arts designer.

Year in and year out at AGHS there is one group of hard-working, dedicated and enthusiastic students who don't get the proper credit or recognition that they deserve ... the charming girls who make up the Fall Pep Squads! Daily the girls work out to perfect their complicated routines so that the fans get the most out of any athletic activity. It is this group of girls that is responsible for all of the cheers heard at football games, volleyball matches, cross country meets, girls tennis matches, and water polo contests. Imagine how dull these events would be without the smiles, yells, cheers and enthusiasm from the fall pep squads. Yes, these girls are **always** there on the sidelines ready to cheer and sing AGHS' best on to victory!

Winter sports, for the most part, move us all indoors where the job of cheerleading and songleading is left up to the Winter Sports Pep Squads! Whether it be at an action-packed boy's basketball game in the gym, or at an exciting wrestling match, the winter cheerleaders and songleaders are there to make sure that the crowd is heard! These very dedicated and hard working girls put in countless hours preparing for the job they do and do so well. It isn't always easy to get the most out of a gym full of fans, but the winter pep squads amaze fans night in and night out. Aerie '84 joins the entire student body and community in thanking the girls that keep Eagle spirit so high!

The weeks activities gained momentum right through to the crowning of the Queen at halftime of the basketball game against rival San Luis Obispo. From the Frisbee Assembly and the Whipped Cream Relay all the way through to Senior Slaves on Friday, AGHS's finest joined forces to celebrate Winter Sports Week.

Queen Amber Reed and her Court (Janet Green, Tamara Henry, Buffy Plante, and Elisa Garcia) reigned at the aftergame dance commemorating the weeks events.

It was a week to dress up as well! Tuesday was the day to dress up as your favorite ol-time movie star. If that didn't appeal to you, Wednesday gave everyone the chance to dress up in a horror outfit. Thursday's thrilling dress-up theme was science fiction. Of course, Friday was blue and gold day to mark senior slave day.

Yes, February 7-10 was the week to let loose at AGHS and let loose we did! What a week!!

jumps, spins, breaking and laughter mark 1984 dance kaleidoscope!

There may not be an activity at AGHS that generates as much enthusiasm and fun as the annual Dance Kaleidoscope! The 1984 show, sponsored and directed by the physical education department, was a grand success. Dancing to such numbers as "Thriller", "Girls Just Want To Have Fun", and "What A Feeling", over 125 students won their way into the hearts of capacity crowds during both nights performances (Feb. 8 and 9). The 1984 Aerie Staff commends Mrs. Auyong, Mrs. Owen, Ms. Sims, Mrs. Santos and Mrs. Wiggin for their countless hours of service in directing this year's show and to the student coreographers who made it all happen!

fads and fashions '84
a.g.h.s. opens up!

George Orwell wrote about the future in his classic **1984**. What he should have done to see what 1984 was really all about was to see the year first hand at AGHS! Yes, it was at AGHS that one could see what 1984 meant in terms of fads and fashions. The photo montage on these two pages depict what the year was like in terms of what people were doing, what they were wearing, what they were listening to and who was in! Topping the list was the computer. Everywhere one turns, a computer seems to pop up! Shoes were the focus of fashion, and if you were really cool, you had a pair of **shades**. Narrow ties were back once again, and the women seemed happy. Music Television rocked the entire music industry with an explosion of videos and concerts via the television! If Michael Jackson's *Thriller* didn't grab you, then there was Mötley Crüe, Culture Club, Duran Duran, Ozzy Osbourne or the Dead. Kids and fashions would not be complete without the mention of hair styles. **Anything goes** seemed to be the answer to hairstyles for 1984. Color was not only blonde, black and red, a combination of all three could be green, purple, blue or pink. If it had it

girl asks boy turns into fun-filled evening! sadie hawkins '84!

The 1983 Christmas formal paved the way for a very joyous holiday season for all of the classes at AGHS. Glowing smiles and Yuletide spirits filled the South County Regional Center as over 120 couples joined together to make the evening unforgettable. Some may remember the wild moves, good music, and happy times shared among friends, but many will have lasting memories of the romantic mood that enhanced the tender slow dancing.

The fun continued right on through to February when the annual Sadie Hawkins Dance was held in the gym. The traditional girl ask boy dance was a big success due to outrageous costumes and the lively antics of those who attended. Seniors Rodney Runels and Anthony Echavarria added a touch of spice by running rampid with a cap gun. Aside from great dancing, everyone gathered together to watch prizes being given for the best costumes.

Upper Left: Janet Green and Duane Peck are far from Disneyland, but they're ready to do some fancy dancing anyway. **Lower Left:** Debbie Silva, Walt Cuzick, Mike Kubiak, Jodi Hamp, Tony Lopez, Claudia Sarmiento, and Ernie show just how fun it can be to ask that special guy out. **Above:** Heather McLin and Bruce McCain add a touch of horse and buggy days to the happenin' sounds of the 80's.

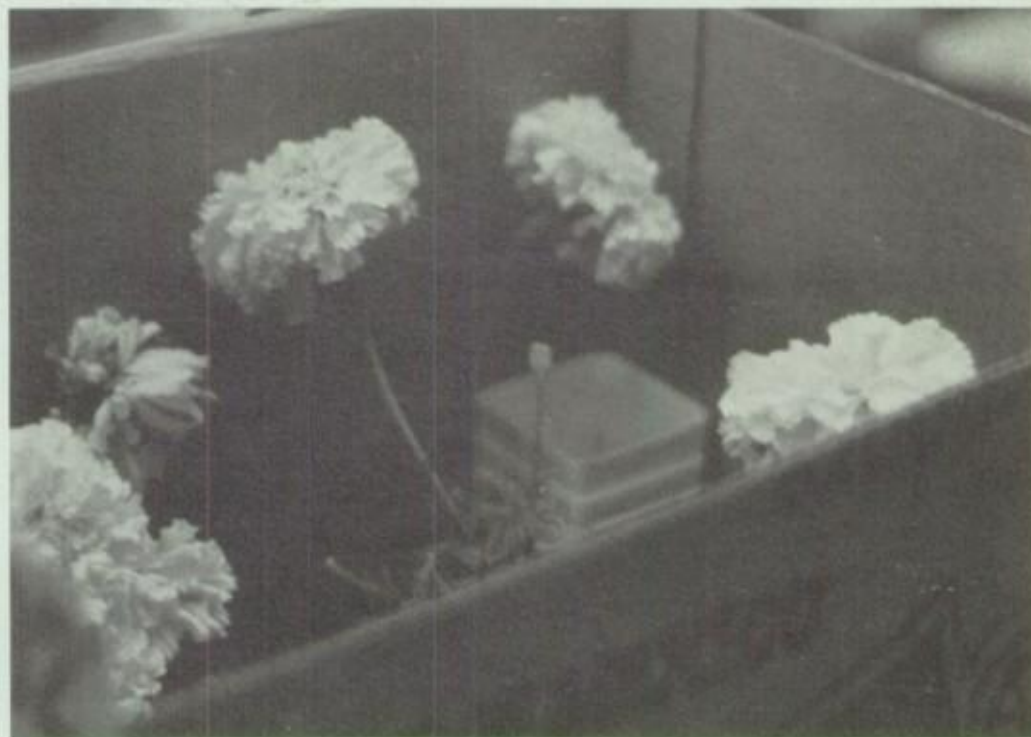

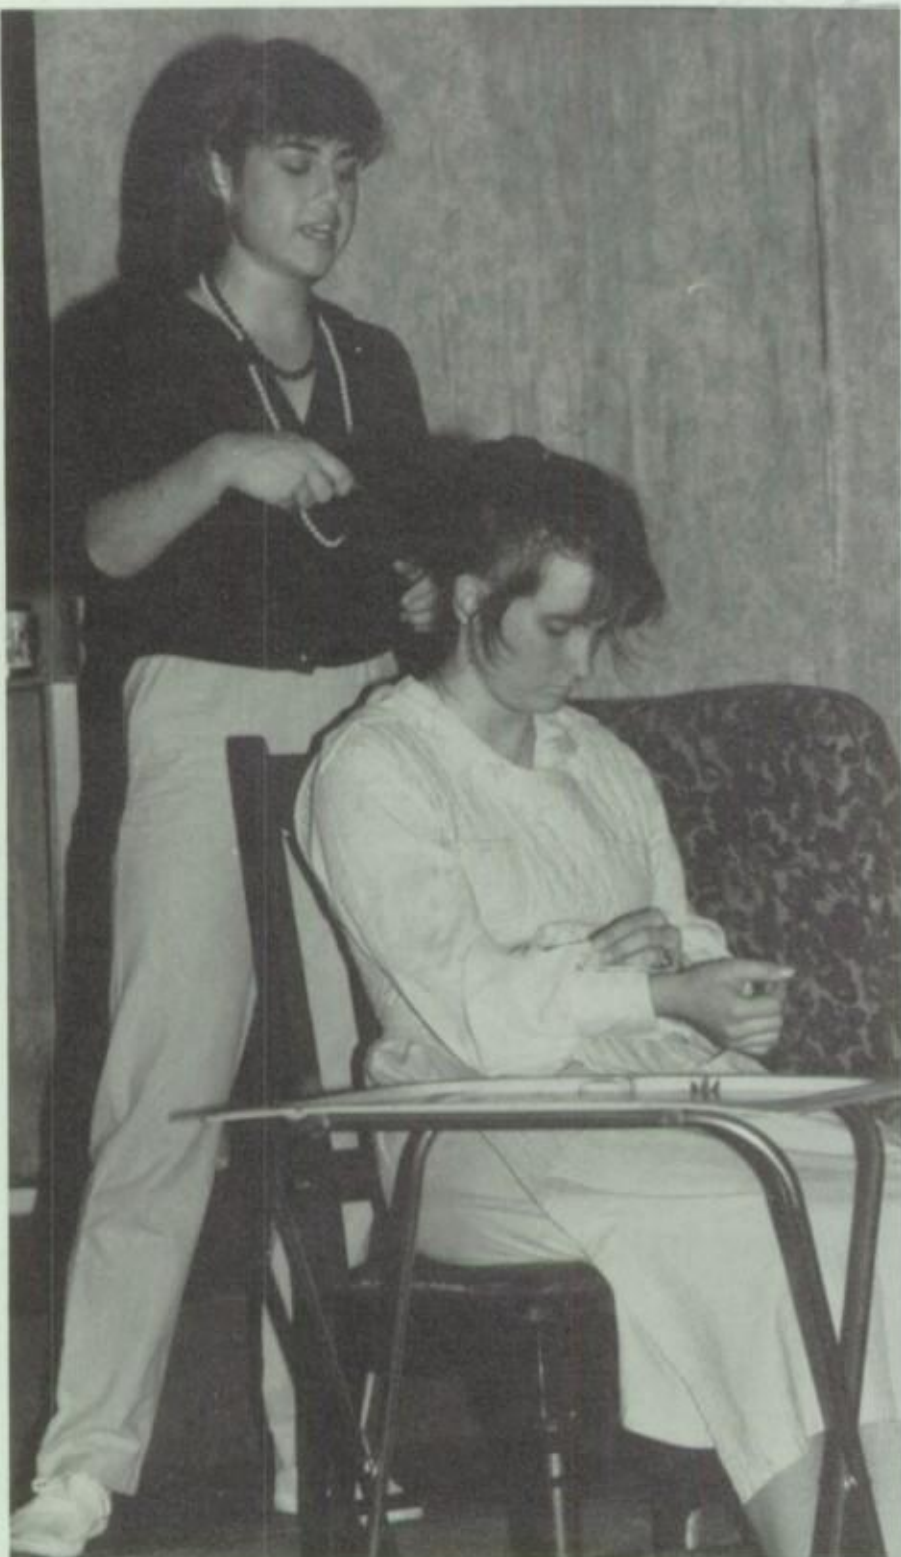

The Man In The Dog Suit . . .

The 1983-84 Drama season at AGHS got off to a strong start during the summer with the successful production, **The Man in the Dog Suit**. This was the second year in a row for a summer production by the AGHS Thespian Troupe. The production was directed by Drama teacher, Bill Houck. The summer productions at AGHS provide drama students with a great opportunity to refine and develop their acting skills. At the same time, students are able to earn up to 10 credits for their work during the summer. The pictures on this page show AGHS' finest in action once again!

Man In The Moon Marigolds

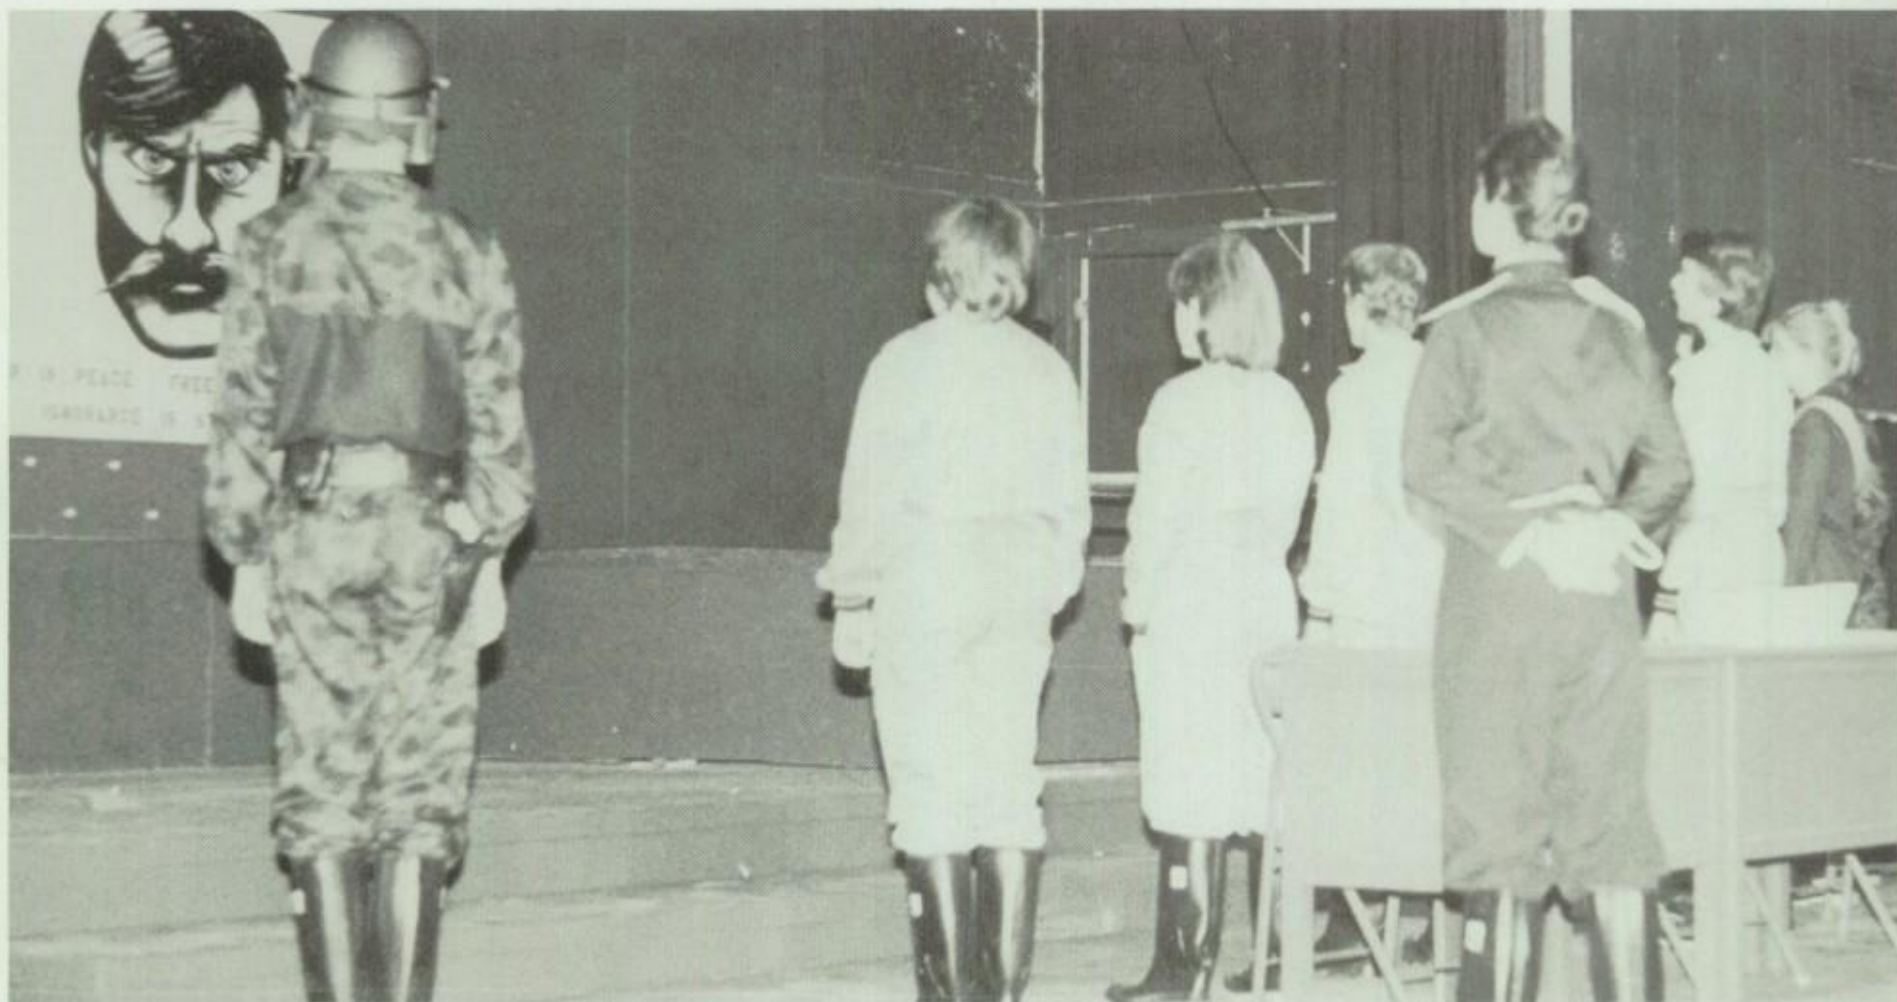

Man in the Moon Marigolds, a Paul Zindel Pulitzer Prize winning drama, was the Drama Club's first project of the school year for 1983-84. The drama was directed by Mr. Houck and performed for the community in the Eagle Theater. The entire production was truly a team effort; sets were built and painted by all of the cast members. Byron Batista spent many days preparing the latex mask worn by Mark Neel as Gramps. This fall production set the tone for the entire year, as the Thespian Troupe settled in for another successful season for 1983-84.

January 17, 1984 was the date of the annual Youth In Government Day. Mr. Mills' government class students took over the Arroyo Grande City Council with much enthusiasm. In November the students were elected into office and from November to January the students attended City Council Meetings and met their counterparts. After the long wait the big day arrived. The students spent the first part of the morning with their partners learning about their jobs. After the students obtained their new skills they had the chance to put them to use. The mock City Council Meeting was exciting, humorous and very real. Mayor Rodney Runels kept the City Council Members and other Supervisors in line. Along with other topics, the mock City Council passed the request to keep the city streets swept by their own workers. After the meeting Mayor B' Ann Smith presented to all the students Certificates. The Greater Pismo Beach Kiwanis Club hosted a Luncheon for the students and their counterparts at Trader Nick's. The day was an exciting and enjoyable one for all of those involved. It was a great experience for all.

a.g.h.s. agriculture at a glance.

The Vocational Agriculture Department at Arroyo Grande High School consists of a three phase program: classroom instructions, Future Farmers of America (FFA) and Supervised Occupational Experience (SOE).

Classroom instruction brings together all the elements of the vocational agriculture program. In the classroom setting - agricultural science and information are taught along with preparation for the FFA and SOE. All courses or units are designed to give students a better understanding of what agriculture is and its importance to everyone. Basic instruction is given in the seven agriculture areas: agricultural program, supplies, mechanics, products and processing, ornamental horticulture, forestry and agriculture resources. Specialization is offered in Animal Science, Crops and Soils, Horticulture, and Mechanics.

learn by doing!

Above: Steve Gambriel reassures the sheep that this won't hurt a bit. Sure!!

The Future Farmer of America activities and awards programs compliment instruction in vocational agriculture by giving students practical experience in the application of agricultural skills and knowledge gained in classes. A major emphasis of the FFA is the development of leadership skills and abilities to prepare young people for leadership roles in their agricultural careers. You can raise the Grand Champion market animal at the fair, be a member of a State Champion Judging Team, raise the finest vegetable crops, earn money in work experience, become a top mechanic, own your own small business, be a management trainee, start a landscape business, work with all types of livestock, win awards, and gain recognition.

Supervised Occupational Experience programs are a planned sequence of learning-by-doing experiences occurring outside of regular class activity. It allows the students application of knowledge learned, which is supervised by Mr. Champlin and Mr. DeRose.

Together these three areas will make any student better prepared for the future.

----- juniors -----

As the Junior Class prepares to begin the journey down the road to becoming seniors, they reflect back on the 1983-84 school year with pride. Aside from regular school work, Juniors added their emense enthusiasm and spirit to various athletics, clubs and dramatic and musical presentations. The Junior-Senior Prom is always the year's biggest climax for the upper classmen, and the class of '85 helped make it a huge success in 1984! Now we are looking toward the future, and with only one more year left in high school, we approach the road to adulthood and careers optimistically.

Having had already passed through the milestones of their Freshman year, the Sophomore class was ready to travel down the road to fun with pride, spirit, and courage.

The class of '86 showed their tremendous athletic ability this year and took great pride in having the most students participating in Varsity sports.

They combined their emense spirit and enthusiasm to launch a series of wins in assembly yells, and now they look forward to the future with the courage and ambition to make next year even better.

The Freshmen Class of '87 adapted well to the drastic changes that AGHS dealt them. Although Freshmen were the underclassmen of the school, they were able to keep their heads held high in true Freshmen tradition. They have showed their spirit and dedication to AGHS and, in 1983-84, took their place in this school's many and varied activities. A large number of Freshmen participated in this year's track team. They proved themselves worthy and showed the coaches much in this exciting sport. Freshmen participated in (to the benefit of the seniors) the all dreaded Freshmen Slave Day. The seniors gave it their best shot and yet, couldn't put a dent in the Freshmen's pride.

The Freshmen Class has seen the sign and has been only one of the few classes to realize and participate in this school's ever lasting spirit!

clubs

1983-84 was truly an exciting year for Clubs at Arroyo Grande High School. For the first time in years, clubs took an assertive role in helping create fun and excitement for daily life at AGHS. Several young clubs, including DECA, Friends of Fantasy, Backpacking Club and Surf Club, emerged as strong and growing forces on campus. Without exception, every club continued to grow in numbers for the 1983-84 school year. While the clubs were growing they were taking charge and being very active. FFA, CSF, AFS, Ski Club, and MANO all were involved in various activities to better our school and our community. Aerie 1984 salutes the clubs and thanks them for adding to the feeling of fun for 1984!

Mario and Enrico DiCarlo before the 1983 Prom.

ENRICO DICARLO

June 14, 1967-July 1, 1983

The 1984 Aerie Staff joins with the entire community in paying a fond and loving tribute to the life of one of our own, Enrico DiCarlo. Enrico died suddenly on July 1, 1983 in Arroyo Grande as a result of a congenital heart defect. On July 6th, the DiCarlo family held a memorial service to celebrate the life of Enrico. There was much to celebrate in his short, but beautiful life. Hundreds of family and friends joined together in a moving memorial to Enrico. Enrico's father, Germano, paid a final tribute to Enrico's life, recalling for us all what a fine, descent, loving and caring young man Enrico really was. Enrico is not here for us to enjoy, but the memories of what he was and what he stood for will be lasting thoughts for us all. We are all better people because of what Enrico exemplified in his life. God Bless you, Enrico.

surf club gathers speed—over 70 members strong!

The Explorer Surf Club of Arroyo Grande High School is one of the biggest and best clubs on campus. The thrill of surfing and the laid back attitude of the beach have brought these 70 plus students together for the third consecutive year. They participate in various high school surfing competitions (including the AGHS top 10), sponsor Junior High competitions, have surf parties, and travel away from the central coast area in search of the ultimate surf. Under the guidance and direction of President Todd Tappan and Advisor Germano DiCarlo, this club has played a large part in AGHS' journey on **the road to fun!** Pictured to the right hanging out at Pismo is the Surf Club with advisor Mr. DiCarlo

ski club hits the slopes in '84! no mountain to great for **backpackers!**

The Ski Club, now in its fifth year at AGHS and with over 100 members, has become one of the most popular and active clubs on campus. Through candy sales and working concession stands at football and basketball games, the club raised enough money to pay for lodging, food and gas for three weekend ski trips. The trips were to Sierra Summit, Badger Pass, and Bear Valley ski resorts. Under the guidance of Mrs. Owen and Mr. Brown, the Ski Club looks to grow in the years to come. 1983-84 was a successful year for the club and the future looks as promising.

The Explorer Backpacking Club increased their membership from twelve last year to over twenty-five this year. The club is composed of students who love the outdoors enough to give up the comforts of home and get out and rough it with the bare necessities.

Their first trip this year consisted of an overnight trek over the Stoney Creek trail. The trip was a strenuous 10 mile hike along a rough and somewhat steep back country trail that ended at a bubbling high mountain spring. The only casualties were several bad cases of poison oak and terminal blisters on a few feet.

They took at least one trip a month, mostly into the back country of the Los Padres National Forest. In the spring, the club planned a high sierra trek for the more adventurous members. This club plans to keep active on campus and having fun in the great outdoors! **Above:** Advisor Mr. Smith.

scholars serve in **c.s.f.** **press club** makes news with altair

The California Scholastic Federation (CSF) consists of Arroyo Grande High School's finest scholars and works on several community oriented projects each year. This year the club collected food and distributed it to the needy throughout the community. They also did civic work for the needy and raised money for scholarships. The CSF Club traveled to university campuses and organized a study table in which the students worked, concentrated, and studied together. This year the CSF Club also had a jog-a-thon to raise money for their various activities. The actions of CSF help to project what good is done at AGHS and in the community. Mrs. Keetch is proud of the club for 1983-84, her first year as CSF Advisor. **Left:** M. Fletcher, K. Perkins, A. Tripodi, E. Collar, T. Wilson prepare for CSF Food drive.

The Press Club consists of the Altair staff that produces the student publication at AGHS. The highlight of the year is when student representatives from the club attend the annual national journalism convention. This year's trip was held in the spring of the year in Phoenix, Arizona. Students from throughout the nation attended workshops and competed in contests covering every phase of print, photo, and broadcast journalism. Excursions to see highlights of the area included an exciting fireworks-filled evening of dancing and shopping at a nearby western town set up for tourists.

serving the community-*key club* *d.e.c.a.* provides leadership!

The Key Club at AGHS is basically a service club. It serves both its school and community. The club is made up of high school students who are interested in helping others. Key Clubbers have fund raisers, attend conventions, and go to many activities with their supporting Kiwanian group. The international theme of Key Club this year is, "Confront Confusion, Discover Direction." The local club, as a result, is looking toward the future with optimism! There were a lot of dedicated people in the club for 1984, adding to the success overall. Right Polly Halderman and Nina Spear.

The Distributive Education Clubs of America, known as DECA, is an organization whose program of leadership, personal development and career encouragement is designed specifically for students with career interests in business, marketing and management.

DECA activities provide DECA members an opportunity for them to receive local, state and national recognition for their efforts in student competitions and activities.

Each year, the AGHS chapter attends the local and state DECA conferences to participate in various competition and leadership activities. At its first state conference in April 1983 the AGHS DECA chapter won first place trophies in both written and active events.

The goals of DECA are to develop leadership characteristics, to develop occupational skills needed for careers in marketing, merchandising, and management, and to develop a greater understanding of our free, competitive enterprise system.

a touch of class—*french club.* *a.f.s.* lends a helping hand!

The American Field Service Chapter of Arroyo Grande is set up to promote international friendship, send local students overseas, and to host exchange students in our area. One of this year's foreign exchange students was Devon Hinds from Jamaica, who stayed with the Howell family. The activities the AFS are involved in include Harvest Festival, Homecoming 1983 Carnation sale, and the fabulous Christmas Formal. One of the most exciting things the club sponsored was the short term exchange. This is where some club members spend a week in another part of America and some people from that area come to visit AGHS.

AFS is involved in many activities and fund raisers and basically promotes fun for everyone at AGHS! **Left:** Devon Hinds

Arroyo Grande's French Club consisted of approximately two dozen active members this year. In the fall the club had a French bake sale which brought a "taste" of French culture to our high school; croissants, French pastries, and traditional American delicacies were sold to the delight of Arroyo Grande high school students. In the winter they had a candy cane sale and they also sponsored an after-game dance in January. They added a personal touch to the dance by decorating the walls with pictures of the Eiffel tower and other French sites. In the spring they had a chocolate confections sale, which was a big hit! The members dined at a French restaurant and saw a cultural play with the funds they raised. A trip to French-Canada is tentatively planned for this summer. Sound exciting? It is!! Come join the fun next year! Vive la France!

dance club shows its moves! your best friend could be a **thespian!**

Already in its third strong year of existence, the Dance Club continues to grow and grow. Each year the club adds new members to its ranks. The Dance Club prides itself in offering a variety of dance options to interested girls and boys. The club offers help to those who are interested in a career in dance, or for people who are just interested in dancing for pleasure. Mrs. Auyong is in her third year as advisor. **Right:** Byron Batista

The Thespians, as a club, continue to grow and thrive under the direction and leadership of Mr. Houck. These club members are fascinated with the art of acting and have formed a group of some of AGHS' finest! The 1983-84 season found the Thespians working hard to raise money in order to participate in the Thespian Festival in Indiana this summer. This festival is a week long celebration of theater and provides a fantastic backdrop to learn almost every aspect of acting and theater production. The Thespian Club, once again, was involved in producing four major plays this year for AGHS and the community.

maya instills pride, friendship. *mat maids* lend a hand!

The purpose of the MAYA Club at AGHS is to instill pride in the Mexican culture, to foster friendship and strengthen relationships among old and new migrant students, to provide an avenue for migrant students to express their concerns, and to acquaint students with the workings of the school and the community. Their activities include participating in the Chamber of Commerce Cinco de Mayo Celebration, Cinco de Mayo at AGHS, Dance Kaleidoscope, and Mexican folk dances for the area elementary schools. They raise money with car washes, candy sales, and flower sales to provide two scholarships for graduating seniors. MAYA is a very useful and inspiring club on campus that also helps promote fun at AGHS!

The Mat Maids Club at AGHS was originally organized as a group of young women interested in the sport of wrestling. The sport is such that it requires several people to keep score for each individual match, as well as maintain stats throughout the entire season. In addition to the above, the Mat Maids raise funds to help the wrestling teams toward tournament expenditures, uniforms, a video camera (this year) and other equipment. They travel to the away matches and tournaments and are very helpful not only with the scoring and stats but with the over-all support of the wrestling program. The Mat Maids combined fun with responsibility and made for a successful year in 1984!

M.A.N.O., Mexican Americans for New Opportunities, has been an ongoing force at Arroyo Grande High School since its inception in 1972. The main purpose of the organization is to promote a positive image for the Mexican Americans and to raise money for scholarships for graduating seniors. Various fund raisers that the club was involved with for 1983-84 were the turkey raffles, the rose sale during Christmas, food sales, car washes and a queen contest. These events raise the necessary funds to support their goals. They are proud of their spirit and their ongoing contribution to their school, their community, and themselves. The M.A.N.O. Club joins the Aerie 1984 staff in thanking Mr. Valadez for his continued support and guidance of this fine club. Officers left to right: M. Garcia, N. Martinez, O. Martinez, S. Angulo.

academic decathlon thrives on competition. *f.o.f.* promotes library

The Academic Decathlon is a competition between nine high schools from the San Luis Obispo and Santa Barbara Counties. These include Paso Robles, Templeton, Atascadero, San Luis Obispo, Arroyo Grande, Santa Maria, Righetti, Cabrillo, and Lompoc. Each is represented by six team members and up to three alternates. Teams consist of two A students, two B students, and two C students. This year's competition was held at Cuesta College on November 21. Students participated in essay writing, public speaking, math, social science, economics, science, English, fine arts, and a Super Quiz. The Academic Decathlon is directed by Mrs. Hays and Mrs. DePue. **Left:** Greg Santos after successful day in competition.

The Friends of Fantasy, an organized club on campus for 2 years, is interested in promoting the image and services of the library. One of its proven fund raisers has been the showing of video-tapes of movies in the library during lunch. There, the club members (between 10-15) enjoy with the rest of the student body recent and popular movies. A Book Fair in December featured paperbacks for Christmas gift giving. Some of the funds raised by the Friends of Fantasy went towards the purchase of 20 books for the library. Together with Advisor Mrs. Maynard, the club meets approximately twice a month and remains a steady force at AGHS.

The Arroyo Grande chapter of Future Farmers of America (FFA) continued on its tradition as a very active club on campus in 1983. Having an active membership, the FFA participated in many things this year. They started the year off right by sending the California State Champion Livestock team to Kansas City, MO. They also played a big part in the 1983 Harvest Festival in various competitions and booths. Developing leadership abilities, cooperation, and citizenship through its many activities makes for a challenging program. Education through hands-on experience has made fun for all and is what FFA is all about! Pictured below early in the school year is the AGHS chapter of FFA with advisors Mr. Champlin and Mr. DeRose. **Right:** FFA members at the Harvest Festival.

Despite the fact that membership was down for 1983-84, the Chess Club at AGHS enjoyed a successful year. The club was involved in several overnight trips to compete with other avid chess players. In addition, the club sponsored their own chess tournament in 1984. An activity that proved to be fun and rewarding was a get-away trip to Magic Mountain. To raise funds the chess club sponsored an awake-a-thon and were also involved in candy sales. Club President David Ross was joined by Vice President Clint Baker, Treasure Darren Harris and Secretary Mike Cole. The club is advised by Mr. Knutsen.

The A.G.H.S. Varsity Jazz Band has two major distinctions: (1) it is the only "credit" night class at A.G.H.S. and (2) it is the only A.G.H.S. class that meets at Paulding Intermediate School. Rehearsals are Tuesday evenings, 7-9:30 p. m. for 2½ credits per semester. Lee B. Statom, long-time Lucia Mar music department instructor (32 years) directs the band.

Activities this year included the annual "Jazz for the Holidays" concert prior to Christmas recess; Arroyo Grande invitational jazz clinic (Feb.), Cuesta "Jazz Week" (noon concert and festival performance), Lucia Mar District "tour" (performing at four schools in one day for "on the road" experience), and A.G.H.S. music department spring awards concert.

Personnel for the band are selected by tryouts during the first week of school. Many students have spent three or four years in the group.

The 1984 Aerie staff joins the entire five cities community in honoring Lee Statom for his many years of dedication to young people. Mr. Statom has touched many lives and has enriched each and every student that he has worked with. Thanks Mr. Statom for making the music so sweet!

sports

Fun at AGHS is spelled SPORTS! No other part of school draws laughter, smiles, yells or screams like sports do. From the opening kick-off of football in September to the final out of baseball in May, students from all segments at AGHS are involved enthusiastically in sports. Whether it be the sweet taste of victory or the bitterness of a tough loss emotions run high when AGHS sports are concerned. Don't think that sports are taken lightly here either. Students, parents and the community are very involved and educated fans. We appreciate sportsmanship and quality play — AGHS style. 1984 saw this more than ever.

Eagle Football Makes Impact On Northern League.

In a team sport such as football, goals are usually set and the players strive to attain them. The work begins long before the opening kick-off. This year the team did not accomplish what it set out to do. The rewards have to be measured in an alternative way; another yardstick. There were many outstanding, record-breaking performances. A few were recognized and honored but each of those honored knows that their status was due to the work of the team. The Eagles can again be characterized as a hard hitting, aggressive ball club. We were exciting on offense with Maytag Reverses, A.G. Specials, and old fashioned power running. The defense though most often outsized blitzed and pursued each opponent keeping victory within reach. Each of us will remember this season as a positive experience having shared something others were not able to.

Eagle Junior Varsity Football Meets The Challenges Head On!

There were new faces on the coaching scene for the Eagle Junior Varsity and Freshmen football teams for the 1983-84 season. With those new faces came some exciting changes. Coach Jones and his staff brought stability and consistency to the junior varsity team, while Coach Fiser and his staff instilled intensity and fundamental football in the freshmen squad. While both teams experienced both up and down moments for the season, the key is that there will be solid leadership and guidance for the years to come at these two important levels. Eagle football fans can expect exciting football out of the junior varsity and the freshmen teams for the 1984-85 season!

The Water Polo Team Was Unbeatable When They Worked Together

The 1983-84 season saw improvement for the Eagle Varsity Water Polo team. The highlight of the year was the 9-5 victory over the Lompoc Braves. This win marked the first time in three years that the Eagle's had defeated the Braves. Led by returning letterman John Millis, Bob Furster, Jesse Palacios, and Tom Norcross, the team was unbeatable when they worked together. Making their bid for CIF, the Eagle poloists were stopped short everytime it came down to the wire. Promising prospects for next year include Ken Oeser, Brent Berrenger, Steve Polino, David Harris, Jason Aiken, Albert Polacios, and Mike Andrejewski. Watch out Northern league, the Eagle Water Polo team is on their way!

The Eagle J.V. team did surprisingly well considering the squad was fairly inexperienced on the whole. With their willingness to learn and strong desire, the team won several of their league games. Led by the outstanding play of freshman Blaine Kelley, the team was unstoppable at times. Next year the J.V. poloists should have a superb season with most of the team returning!

J.V. And Frosh Volleyball Add Spirit, Intensity

The Eagle varsity and junior varsity both won the league championship in volleyball for the 1983-84 season. For both teams it was the most successful season ever. The teams demonstrated again and again their ability to play their best; especially under pressure situations. Teamwork, talent, and toughness of character were the hallmarks of these two teams.

The 1983 Eagle Girls' Cross Country Team combined hard work and an upbeat attitude to become our school's finest group of harriers. Seniors, Chantel Plante, Cathy Jones, and Lynde Seffel provided the leadership and poise; junior, Shirley Rodriguez, the determination; and the rest of the team, the overall enthusiasm to give A.G. a great season and a second place finish in C.I.F.

Boy's Cross Country Makes It's Mark In C.I.F. For Second Year!

Coach Cline says goodbye to cross country program after years of service and dedication.

Boys' cross country had a slow start in 1983-84 as six of the top seven runners were either ill or injured. However the team's health improved, and their success increased.

An indication of Arroyo Grande's potential came in the first league quadrangular. Arroyo Grande upset Cabrillo and easily out-pointed San Luis. After the second quadrangular, Arroyo Grande, Righetti, and Lompoc were tied for first each with 4-1 records.

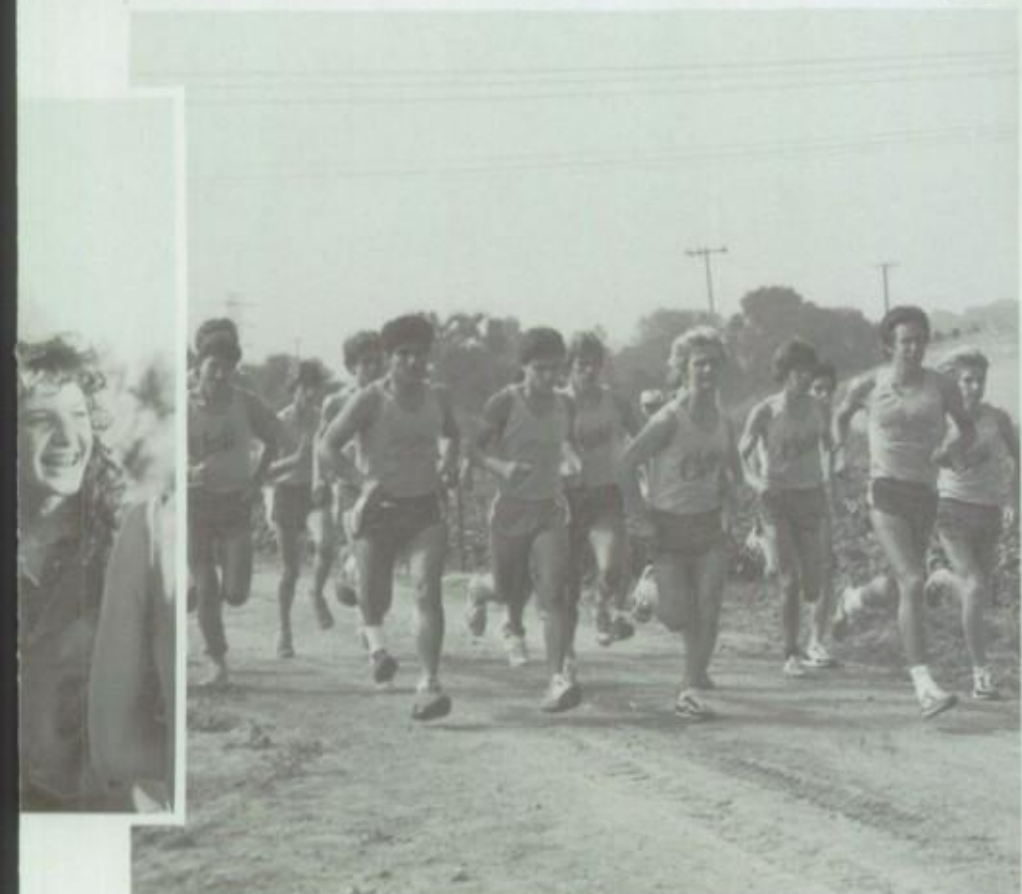

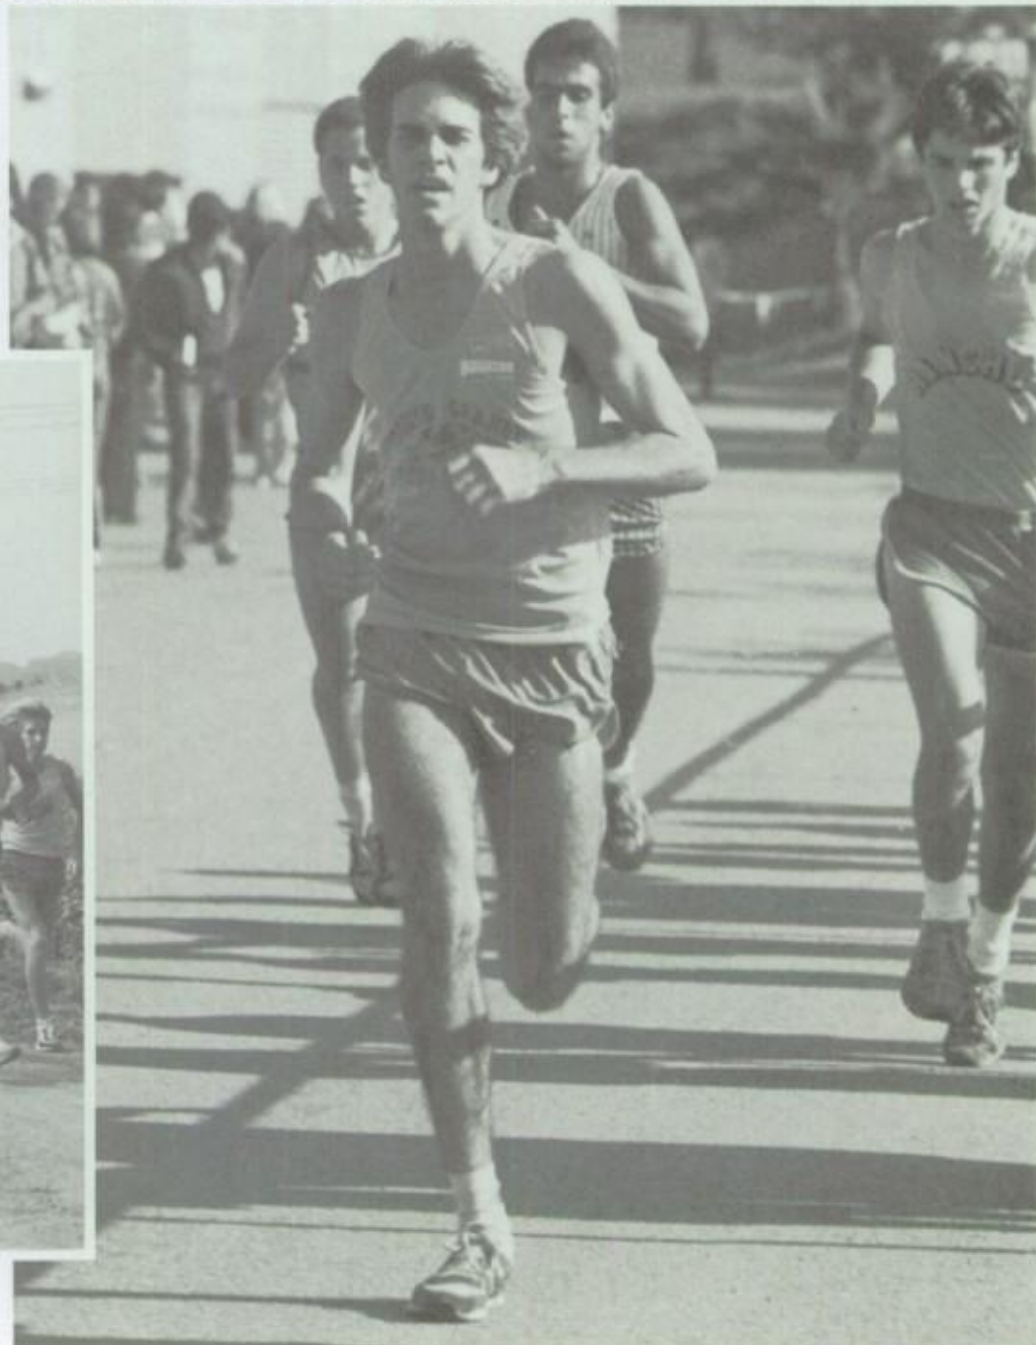

In the league championship finals Righetti and Lompoc tied with 53 points, and Arroyo Grande made a very close third with 55 points. In that race, Tony Lopez, Garth Turner, and Chris Gaines ran excellent races placing 8th, 9th, and 10th respectively.

The team gave its usual good-post league performance by qualifying for the finals of C.I.F. and then finishing 8th in those finals.

eagle's girls tennis better than ever!

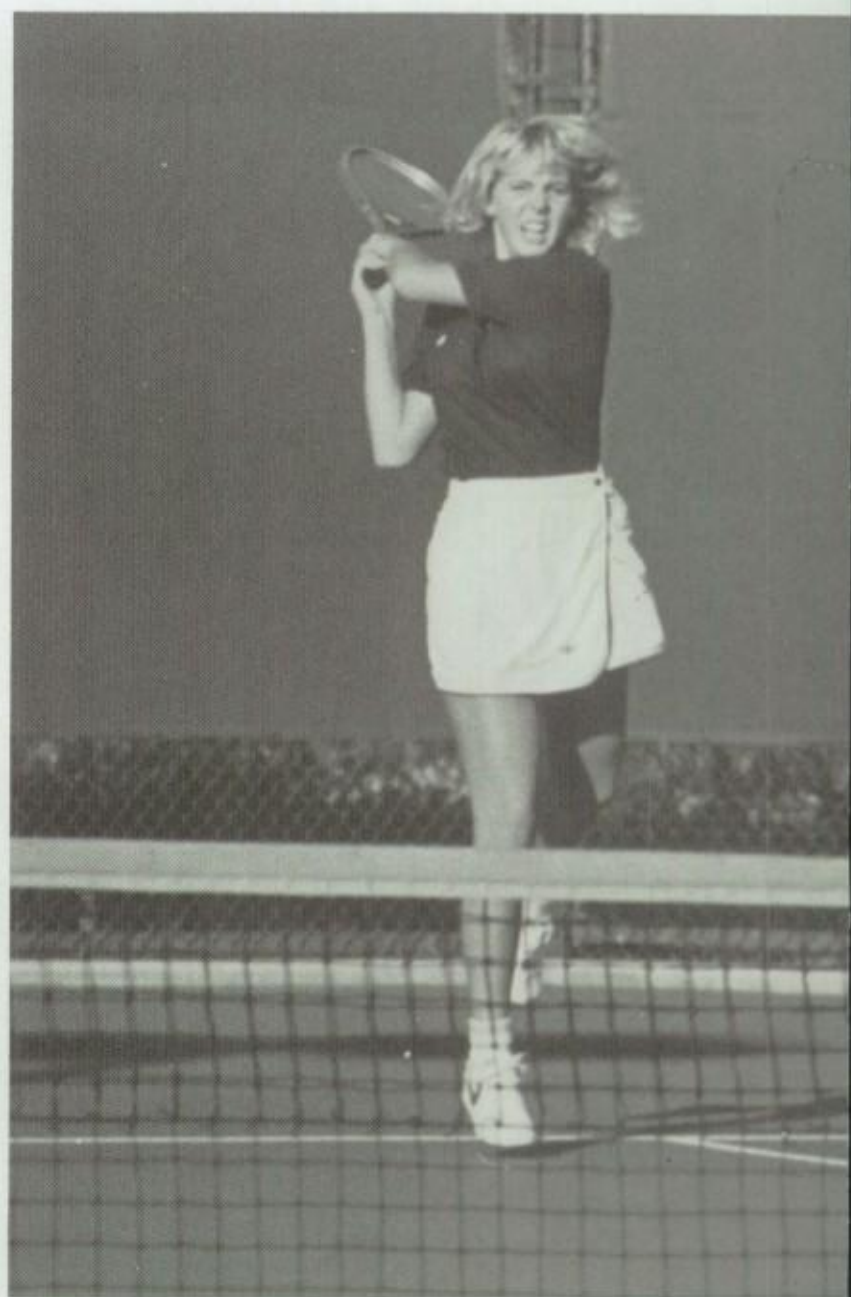

This year's girls tennis team had the most successful season ever experienced by Arroyo Grande High School. Finishing third in the Northern League Arroyo Grande got the chance to play a wild card match to enter C.I.F. competition. The unexpected happened, and Arroyo Grande was on it's way. Supported by an enthusiastic 5 cities area and many fans: friends, parents and teachers; the team pulled off the impossible. They reached, after five breathtaking matches, the finals. The finals took place in Industrial Hills near Los Angeles, but at this match Lady Luck wasn't with Arroyo Grande. The Eagles lost 6-12 to LaQuinta. However, with this years excellent record (20 wins, 5 losses) Arroyo Grande's opponents know the Eagle's tennis team is a definite threat for next years title.

eight players and one coach combine to give hard playing competitive basketball!

1983-84 was a year of ups and downs for the Varsity Boy's Basketball team. What started out to be a promising season turned out to be less than fulfilling for the eight players that made up the team. The Eagle varsity came on strong in pre-league play but had difficulty pulling it all together for league play. It was a very tough league in 1984 with a great deal of balance among the six teams. Coach Pecile's team was led by Seniors Steve Coffey, Anthony Gutierrez, Dave Longstaff and Joe Polino. The starting five was rounded out with Junior Chris Hoerntlein. The back-up team consisted of Senior Ruben Cabrerios and Juniors Steve Fukuhara and Jim Patton. Under the direction of first year J.V. coach Stan Ikeda, the junior varsity also performed below expectations in league play after a strong start in pre-league competition. The junior varsity were led by Tom Sullivan and Keith Harper. The junior varsity also found a very tough league this year as Cabrillo and Righetti looked strong. Prospects look good for next season and Coach Ikeda looks forward to a strong season in 1984-85.

The Freshmen basketball program also saw a new coach for this season. Coach Steve Sharpe was on the scene to pull together one of the largest freshmen teams at AGHS in quite some time. The freshmen experience grew this year, as many of the players saw considerable playing time.

girls varsity basketball characterized by hard work, dedication and a team spirit to win!

The 1983-84 Girls Varsity Basketball team was successful in many ways. All nine varsity players improved a great deal and were team players by the end of the season. The team consisted of two seniors (Monica Mostajo and Michelle Medhurst), six sophomores and one freshman. The team worked hard and put in a lot of hours to prepare for each game. Laurel Runels led the team in scoring as well as being the team leader. Top rebounders on the team were Terese Toomey, Laurel Runels, and Sue Adams. Monica Mostajo and Debbie Silva led the Eagles in steals. The main strength the team had was that they played as a team. All of the players on the team contributed to the success that they did achieve. This season was the first step in building a fundamentally strong program according to first year coach Rick Jones. There will be seven players from this years team who will return to next years team.

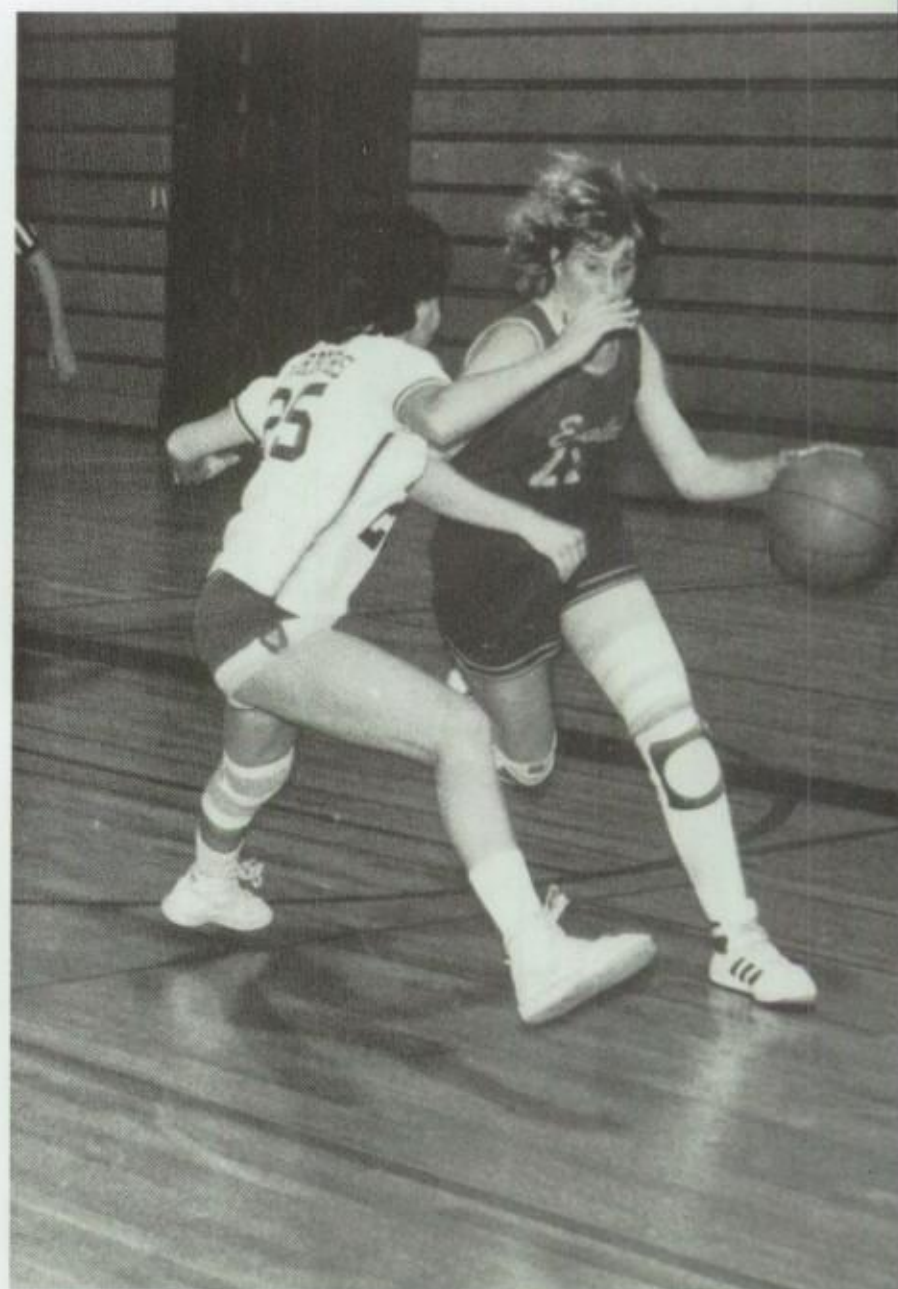

The Eagle J.V. team did very well this year considering the majority of the team was made up mostly of freshmen. They pulled together and made a strong finish in their final games. The team should be dominating in Northern League competition next year with many of its players returning.

1984-a successful year for varsity soccer!

This years soccer team was one of the best teams in Arroyo Grande High School history. The team had 3 returning seniors in the starting line up. There were many new comers with fresh enthusiasm and talent. The year started out with a 3-3 record in league which is the best in the schools history. Coach Lococo had a lot of confidence with all the new comers and returning lineup. The defense and offense were both very strong which may have contributed to the teams qualification for CIF competition.

Next years team shows much promise with all of the returning varsity players like Tim Hire, Martin Lopez, Jason Lopez, Alberto Chavez, Luciano Chavez, Santos Camacho, and Luis Angulo. The departing seniors are Joe Rivera, Duane Peck, Rich Miller and foreign exchange student Devon Hinds.

eagle wrestling stresses hard work, dedication and excellence!

The 1983-84 Wrestling program was led by two outstanding young men; co-captains Audie Betita and Santiago Flores symbolized what AGHS Wrestling is all about- class! The Varsity team was made up of five seniors: Audie Betita, Brent Rucker, Bill McTeer, Charlie Okui and Mark Moreno. The team was rounded out with five juniors and several sophomores. Co-Captain Audie Betita had a fine season taking first place and second place at two tournaments. Heavyweight Mark Moreno also had a good year winning a first and third place at two tournaments. The J.V. team had an outstanding group of dedicated wrestlers, both from the sophomore and freshman level. Several top J.V. wrestlers will be competing for a varsity spot next year with the experience that they have gained this year. Freshman wrestler Scott Watts gained some varsity experience this year while several other freshmen gained some J.V. experience. This year the Freshmen team did very well in the Freshmen tourney at Santa Ynez and Morro Bay. 1983-84 Wrestling showed growth and maturity among its wrestlers. These fine men must be commended on their hard work, dedication, dependability, and desire to do their best.

swimmers meet challenge of the northern league.

The 1984 swim season proved to be a successful one for both the boys' and girls' swim teams. The boys continued to improve in league standings and showed an impressive gain at league finals. Lori Owen's girls held their own in the tough Northern League competition. Under the supervision of Coach Lococo the divers had a fantastic year. Steve Polino and Shelly Lobe were the team's highlights. The entire diving team worked hard and did a superb job. Tyler Inouye, Lori Owen and Joe Lococco promoted unity among the teams and showed much dedication and support in making the 1984 swim season a success. Approximately a dozen individual swimmers and divers qualified to compete at CIF in Los Angeles. All placed respectively in finals.

varsity tennis does it to the northern league once again. a.g.h.s. dominates in 1983-84!

The Varsity Boys Tennis team must be getting accustomed to winning seasons. 1983-84 proved to be just that once again for the Eagle netters. Coached this year by Mark Sczbecki (a former AGHS tennis star), the Eagles displayed their dominance in Northern League competition. While the league provided tough competition, it was the Eagles that proved to be the team to beat in 1983-84. Led by Seniors Paul Landry, Tony Perry and Paul Reed, the varsity entered CIF play once again in post league action.

It wasn't only the varsity that excelled this year! Vince Antonio's junior varsity squad performed well on the courts for 1983-84. There are a number of promising talents on this years junior varsity team, led perhaps by Trent Norcross. The junior varsity squad has a real challenge ahead of them for next year in maintaining the winning tradition that has come to be a big part of Eagle Boys Tennis.

a.g.h.s. varsity softball boasts of hard work, young talent and new coaching as they glide through 1983-84!

First year head coach Dave Cowie was, from the beginning, excited about the prospects for his young varsity team during the 1983-84 season. With only one senior, Monica Mostajo, Cowie was challenged with building a strong, competitive team with young players. The challenge was met, and the AGHS Eagle Softball team fared well in Northern League action. It was a talented group of girls that pulled it all together for a successful season. Helping Mostajo were several tough competitors including Laurel Runels, T.C. Toomey, Debbie Silva and Anne Longstaff. Throughout the season, it was the mark of the varsity squad to work together as a team. It was that teamwork and constant hustle that pleased Coach Cowie.

The Junior Varsity Team was coached by AGHS alumnus Shelly Wysong (Palmatier) for the 1983-84 season. Coach Wysong was also challenged with a young squad with most of the players freshmen. They too proved tough and competitive as they worked on improving their skills in order to compete for slots on next years varsity squad. With only one senior on that squad, the competition for a varsity position next year will be fierce, however.

hussle, speed, teamwork—varsity baseball!

For the third straight year the Eagle Varsity Baseball team was led by a new coaching staff. First year head coach Mark Plassard brought his brand of baseball to AGHS in 1983-84. With assistants Ron Walton and Jerry Lopes, Plassard emphasized hussle coupled with sound fundamentals. The blend proved successful for the varsity squad.

Returning Seniors Dan Bowdish, Ron Sisky, Vance Robertson and Anthony Echavaria led the varsity to a winning season. The squad was characterized in 1984 by a strong determination to win as a team. Whether it was hussling off field between innings or running the bases aggressively, the varsity Eagles worked as a team. It is the desire and effort that will be the basis for a strong program in the future. Next year's varsity will have a challenge ahead of them in striving to equal the success of the 1983-84 squad.

a tough, hard-hitting junior varsity make their mark. freshmen emphasized team-work on and off the field.

If ever there was a hard-hitting, hustling and talented group of junior varsity baseball players at AGHS it was the 1983-84 squad! They were truly a force to be reckoned with this past season. Under the leadership of first year head coach Thompson, the Eagle junior varsity were led by Larry Wooten, Chris Cajas, Marcus Greene, Doyle Graham and a host of other talented ball players. These players hope to carry this winning attitude with them as they view for varsity spots next year.

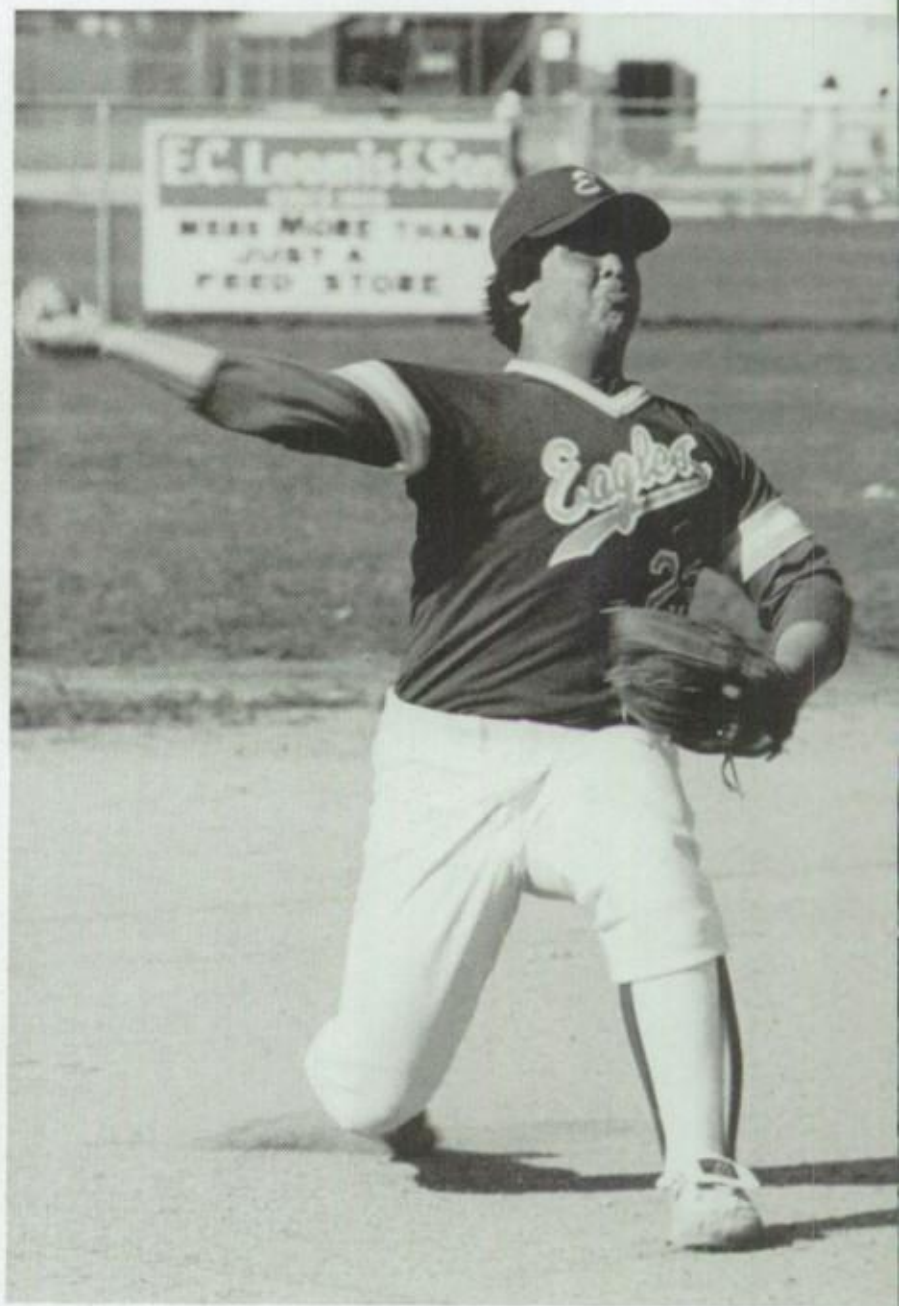

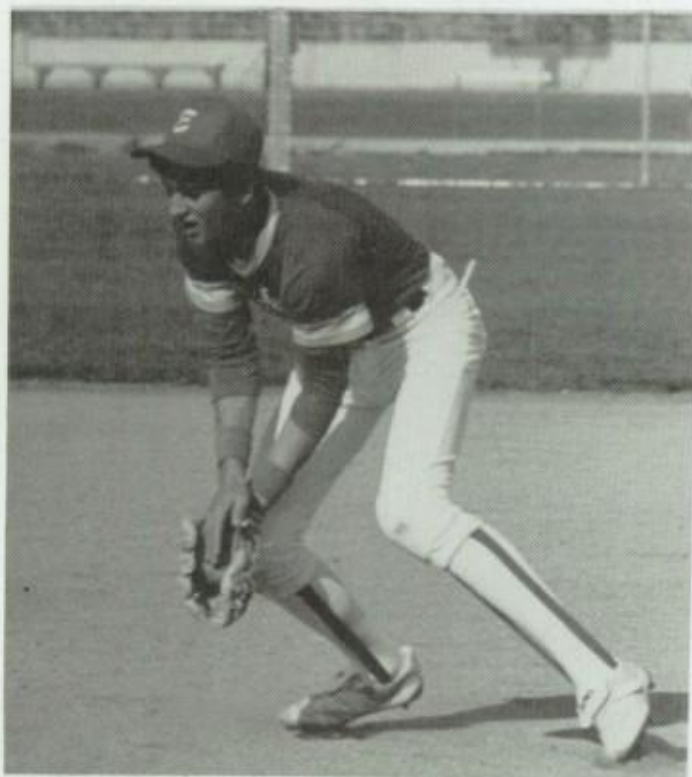

Freshmen coach Jim Fisher was pleased with the progress that his team made during the 1983-84 school year. Coach Fisher had a group of big freshmen boys to work with, and while they started out a little slow, they came around by the seasons end. Coach Fisher was assisted by Coach Graham this season, who added a great deal of strength to the coaching staff.

a year to remember for track and field.

When one thinks about Track and Field at AGHS, the first word that comes to mind is **WINNING!** And winning is what the 1983-84 team did frequently. It was truly a year to remember for Head Coach DeNike's girls and boys teams. Memories of how hard work pays off, of a once-in-a-lifetime trip to Hawaii to compete, and memories of qualifying for CIF once again will last in the minds of all of the track team members for years to come.

The 1983-84 tracksters were led by Seniors Heath Owens, Richard Westbrook, Jeannette Reichel, Frank Miller and a host of other talented and dedicated Seniors. eagle golfers prove tough in 1983-84!

The Eagle Varsity Golf team led by second year coach Perry Pederson saw some new faces in the line up for the 1983-84 season. The returning swingers for the Eagles were seniors Chris Harris, John Reichel and Daren Pitcher. John Sweeny represented the junior class for the year. As has been the case for the past several years, the Eagles improved in competition. Each year, Eagle golfers build on their skills and prove to be formidable opponents in Northern League competition. Next year could be the year that the Eagles make their bid for a league title; so watch out Northern League!

Once every four years a very special, noteworthy event takes place. This is the Olympic Games. The Olympics are athletic competitions between the best athletes in the world who are competing for their native countries. The Games are held in a different country each time. This year the '84 winter games were in Sarajevo, Yugoslavia while the summer games were held in Los Angeles. The Olympics being held in Los Angeles brought much tourism and excitement to Southern California. The 1984 aerie staff dedicates this page to the world class athletes who competed and also in recognizing the countless hours of hardwork and preparation contributed by each individual.

principals office paves the way! a caring counseling office
comforts all!

To the Senior Class of 1984:

For many of you, graduation from high school will represent the end of your education. For others, you will begin again in the fall in a new phase of your educational pursuits.

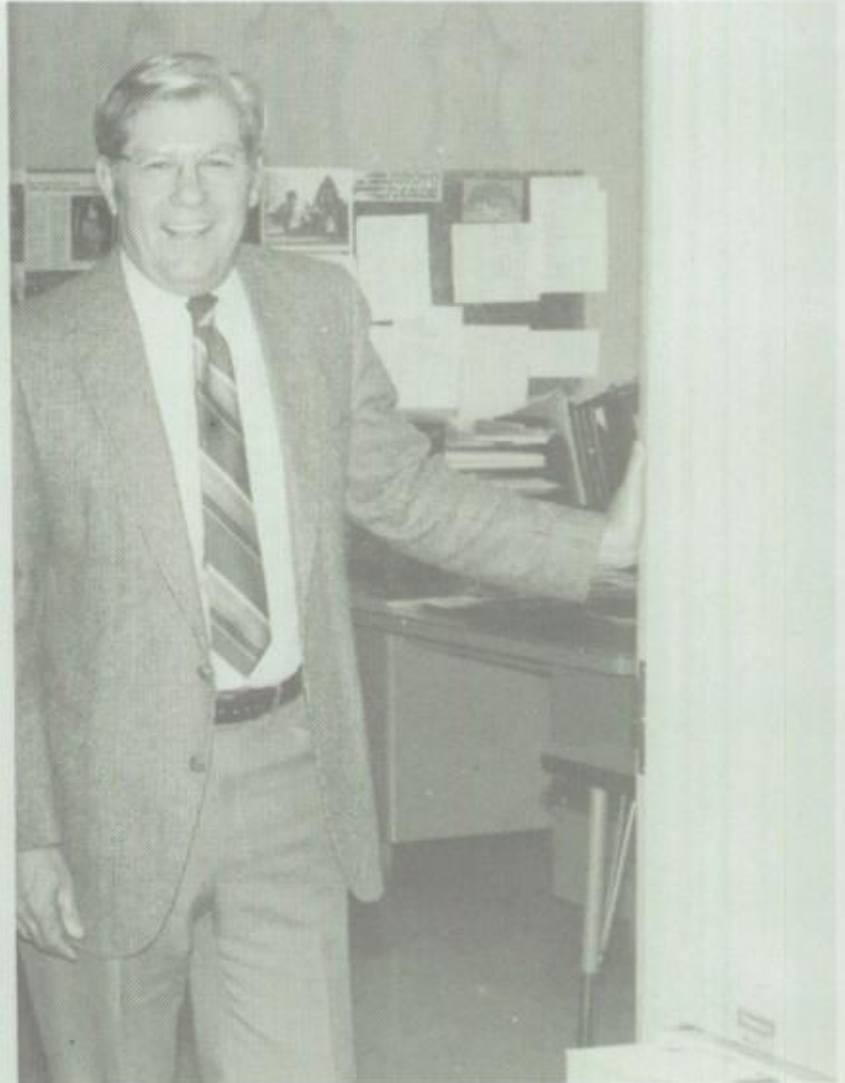

You are the greatest resource and brain-power of our Nation. You are the leaders, citizens, community workers, and parents of the future. We hope that you have made the most of this educational opportunity to prepare yourselves for these challenges.

The computer age has arrived, but it still takes the human element to make it work, and that is you. Don't ever lose sight of the fact that if we are to survive as human beings, we must continue to look for ways to better understand and accept all people in this small world of today.

Best of luck in your future years — stop by and visit if you have time.

Sincerely,

Douglas Hitchen

The Aerie Yearbook Staff is proud to honor Mr. Chuck Mace, the man behind auto mechanics at AGHS. Mr. Mace has been the key man behind the foundation of the High Schools Auto Shop department for the past 16 years. He has one daughter, 26, who is currently living in Tulsa, OK and is expecting a child in February of '84. The most unique aspect of Mr. Mace's lifestyle is that he lives on a 41 foot sailboat in Morro Bay. This year Mr. Mace plans to retire and take off on an extended cruise. First, he plans to sail to Mexico for a year, and eventually make a trip to Europe after that. The 1984 Aerie Yearbook Staff would like to thank Mr. Mace for his many contributions to the students here at AGHS and wish him good luck for a prosperous future.

The Aerie Spotlight introduces Ms. Gregorita Peña, one half of the Spanish Department at AGHS. She has been teaching at AGHS for 28 years, but insists that "the students help me forget how old I really am getting!" Before coming to AGHS, Ms. Peña taught two years in Ojo Caliente, New Mexico and one year in Ft. Thomas, Arizona. Most of her family, in fact, still live in New Mexico. She does have a sister in California and her son lives in Shell Beach. Ms. Peña has not always taught Spanish at AGHS; when she started she taught home economics and general business. To receive her B.A. and M. Ed. degrees she attended New Mexico Highlands University, University of Colorado, and the University of Wyoming. She enjoys needlework and reading in her spare time and when she retires, she plans to travel and then go into business with her family.

AGHS would like to take this opportunity to thank Ms. Peña for 28 years of sharing with us all!

p.e. marches on!

Mrs. Barbara Reed began working at AGHS in 1973 for Mr. Sullivan in the typing room. She then transferred to her present job in the Counseling Office. No, she's not an invisible counselor, she is our Scheduling and Records Technician. If it were not for Mrs. Reed, not one AGHS student would know where to go on the first day of each semester. She maintains the Cal Guidance records, student information, and all grades. She processes all student scheduling and all program changes. And last, but not least, she maintains all of the past records of the school!

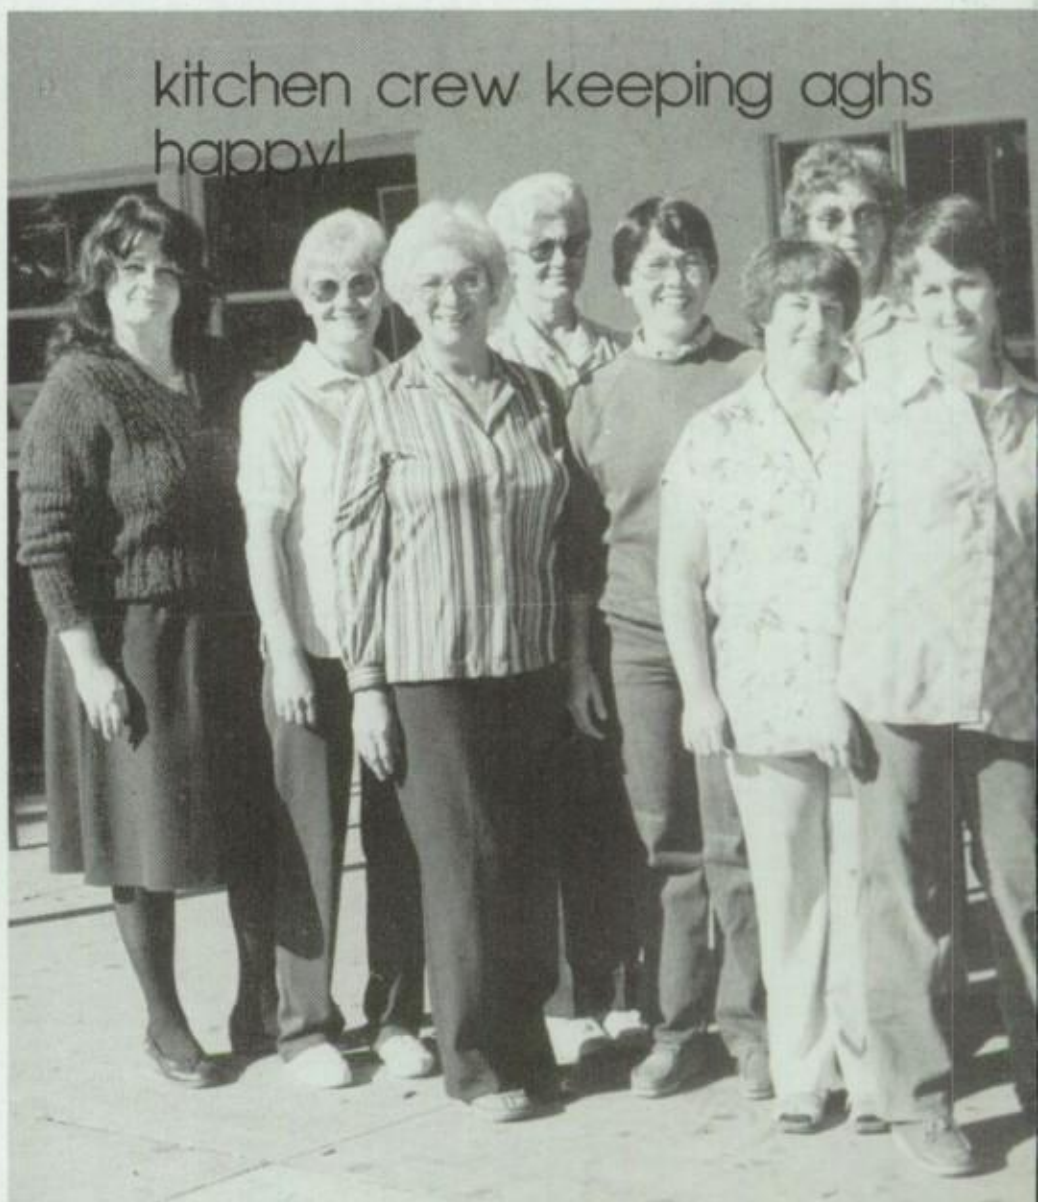

Mrs. Reed was born and raised in Arroyo Grande and is a graduate of AGHS. Her mother taught at AGHS before retiring and her sister teaches at Paulding School. Mrs. Reed lists as her hobbies sewing and all sorts of crafts. Of course, being a wife and mother of two (both AGHS students) keeps her busy as well. Mrs. Reed plans to work until her husband retires and they are able to travel. For AGHS' sake, that will be a long time from now. Thank you Mrs. Reed for being you!

closing — — — — —

Here we are! The road has seemed endless at times, too fast at others. But, at last it is time to close out the 1983-84 school year. Are we having fun yet? You bet!! The road has been more rocky for some than for others, but through it all it will be the fun times that will stand out most clearly in our minds. We have made new friends, lost some old ones; gained more knowledge, shared some truths with others; cried a little, laughed a lot! We have made the most of what we have had; no project too big, no obstacle too great to remove. 1983-84 has been our year! Our year to live, to share, to brag about, to remember.

We close the pages, shut our eyes and let the fun times recall all that we have gone through **together**. **Yes, we're having fun now!**

Suzie high!?! at
 last!?! the year
 is over. We've all been
 talking about for the
 last 9 months. Now
 we don't have to listen
 to Mr. C. act like a dork. He
 act like a dork. He
 just gets a little out of hand
 sometimes. Well - I'm gonna go to
 be ~~too~~ bad! a radical summer. Don't
 maybe we can go out and do
 something. Love ya
 Barb

Suzie
 It's been nice
 knowing you. Have
 fun over the summer.
 your friend
 Paul Bonfield

Suzie
 to a real crazy girl
 it's been fun having
 you in one of my classes.
 Hope you had a B-I-T-C-H-E-N
 summer and don't party to
 hard. Love nadege '87'
